

# 740Li LCI Long wheelbase.

## New car

### Technical data

**Motor:** 250 kW (340 hp), 450 N.m. at 1,500-5,200 rpm, 0-100km/h in 5.6sec.

**Cylinder/cubic capacity:** 6 /2,998 cc.

**Transmission:** 8 Speed Steptronic transmission

**Doors/Seats:** 4/5

**Luggage Compartment Capacity:** 515 l.

**Upholstery:** Leather Nappa with extended Contents (Canberra Beige/ Cognac / Black / Mocha )

### Standard equipment

Exterior design "Pure Excellence"

BMW Laser Light

High beam assistance

Ambient light

BMW Welcome light carpet

Rain sensor and automatic driving lights control

Active Kidney Grills

**Parking Assistant Plus :**

Rear view camera

Surround view with gesture control

Park Distance Control front and rear

Comfort access

Soft close automatic for doors

Adaptive two-axle air suspension

Multifunction sports Leather steering wheel

Leather steering wheel with wooden inlays

Instrument panel with leather finish

4- Zone automatic air conditioning

Ambient Air Package

Head Up Display

**BMW Live cockpit professional:**

10.25" Control Display

12.3" Instrument display

Navigation system

iDrive 7.0 with touch controller

BMW Intelligent Personal Assistant

Hard Drive 20GB

Harman Kardon surround sound system

(460W amplifier with 16 speakers)

Apple CarPlay®

Front comfort seats with memory function

Rear comfort seats with memory function

Lumbar support driver / front passenger

Massage Function for rear seats

BMW Individual headliner Anthracite

Fine-wood trim 'Ash Grain Chestnut' with

highlight trim finisher Pearl Chrome

Ceramic Surround for controls

Panorama glass roof

Sun protection glazing

Thermally insulated windscreen and side windows

Electric rear sunblind

Electric sunblind for rear windows

**Rear seat entertainment experience :**

BMW Touch command (7 inch touch tablet)

2 tilt-able independent 10" touch screens

BMW Gesture control

BMW Display key

BMW Remote Control Parking

Smoker's package

Automatic anti-dazzle Interior mirror

Automatic tailgate operation

Enhanced Bluetooth telephony with extended

smartphone connectivity

Dynamic Stability Control (DSC)

Cruise control with braking function

Active protection

Brake Energy Regeneration

Emergency spare wheel

Tire pressure monitor

Locking wheel bolts

Velour Floor Mats

20" Light alloy wheels, V-spoke 628

Mixed tires, Runflat with Runflat indicator

Front : 8.5 J x 20 / tyres 245/40 R 20

Rear: 10 J x 20 / tyres 275/35 R 20

### Warranty

2 years guarantee with unlimited mileage

### List price

**EGP 2,600,000**

# Information on fuel consumption, CO<sub>2</sub> emissions and energy consumption according to the German Ordinance on Energy Consumption Labelling for Passenger Cars

---

<b>Brand:</b> BMW	<b>Fuel type:</b> Octane 92 – octane 95
<b>Model:</b> 740Li LCI.	<b>Other energy sources:</b> -
<b>Performance:</b> 250 kW	<b>Kerb weight:</b> 1,805 kg

---

<b>Fuel consumption</b>	<b>combined:</b> 10.1–7.9 l / 100 km
-------------------------	--------------------------------------

---

<b>CO<sub>2</sub> emissions</b>	<b>combined:</b> 230 - 180 g / km
---------------------------------	-----------------------------------

---

The stated values were determined according to the prescribed measurement process (Section 2, Nos. 5, 6, 6a of the German Ordinance on Energy Consumption Labelling for Passenger Cars in the current valid version). CO<sub>2</sub> emissions resulting from the production and provision of the fuel or other energy sources are not taken into account when determining the CO<sub>2</sub> emissions in accordance with the requirements of Directive 1999/94/EC. The information does not refer to an individual vehicle and is not part of the offer but rather is used solely for comparison purposes between different vehicle types. The fuel consumption and emission levels stated here refer to a vehicle from the current production run. Until your desired delivery date, changes may occur in the production run that may affect the weight, aerodynamics or tyre rolling resistance of the vehicle, possibly altering its fuel consumption and CO<sub>2</sub> emissions by an increase or decrease of up to 5g/km.

## Information in accordance with directive 1999/94/EC

The fuel consumption and CO<sub>2</sub> emissions of a vehicle are not solely dependent on the vehicle's fuel efficiency, but are also influenced by driving style and other non-technical factors. CO<sub>2</sub> is the greenhouse gas primarily responsible for global warming. A guideline for the fuel consumption and CO<sub>2</sub> emissions of all passenger car models offered in Germany can be obtained free of charge, anywhere in Germany where new passenger car models are displayed and offered.
